INN - ST. MARK'S "VACANCIES"

Organizations of the Church give us an opportunity to meet others in fellowship and to render a service to the Church. Organizations are essential to the life of the Church and the effectiveness of a Church Program depends on the support which organizations give. St. Mark's Inn has a variety of "rooms" to offer, to suit a variety of tastes. There are VACANCIES of all kinds, and you are urged to take advantage of the opportunity to join one or more of the organizations.

Look at all we have! For YOU!

ST. MARK'S CHOIRS

We enjoy a reputation for good music. We are anxious to increase the Choir membership and welcome new comers in all the Choirs. There are three Choirs—The Boys Choir, which rehearses at 6:30 P.M. on Thursdays; The Girls Choir, which rehearses at 4 P.M. on Wednesdays and the Adult Choir, which rehearses from 8 to 9:30 on Thursday Evenings. Years ago, one of the Psalmists said, "O come, let us sing unto the Lord." If you sing, or would like to sing, come and join us. Mr. Ted Alan Worth is Organist and Choirmaster.

THE CHURCH SCHOOL

We meet every Sunday at the 9:30 A.M. Family Service. The Rector conducts the Worship Service, and the boys and girls Choirs provide the music. We are using the Seabury Series of the Episcopal Church in all the grades. Parents can go to school at the same time as their children—we have two classes for them. The Worship Service lasts from 9:30 to 10 A.M. after which all go to their respective classes. On the third Sunday of the month, we have Holy Communion, and all Confirmed members stay in Church.

This year, 1964, the Bishop will come for CONFIRMATION in March. If you are interested in Confirmation, or know anyone who is, please keep this date in mind, mention it to others, and watch the Church Bulletin for the start of the Confirmation Classes.

THE ALTAR GUILD

We are indebted to the Guild who faithfully attend to the Altars of the Church. The work day is Saturday morning. There are two meetings of the Guild—one in October and one in June. The Guild sponsor a Lenten Quiet Time for the Women of the Church on Monday

in Passion Week. We need more active workers who will give at least four Sundays a year attending to the Altars.

THE SERVERS GUILD

The guild is made up of young confirmed male members who assist the Clergy at all Church Services. The group is under the direction of the Assistant, and Mr. Harry Shuttleworth. All young men of the Church are invited to belong. Training sessions are held on Thursday evenings at 7 P.M.

THE AUXILIARY VESTRY

Each year fifteen men are chosen by the Rector and Vestry to serve for one year. The group meet monthly at member's homes. The purpose of the group is to assist the Vestry and to do the work delegated to them. They have the responsibility of preparing the Year Book each year. The group has as their special project, the responsibility of promoting the Church and her program.

THE WOMEN OF ST. MARK'S

Every Confirmed woman is automatically a member of this group. The program of the Organization is concerned with the missionary work of the Church at home and abroad. There are two meetings a month—the second and fourth Thursdays.

THE CHURCHMEN'S LEAGUE

This organization is maintained to encourage fellowship among the men of the Church. The meetings are announced. The usual meeting day is the third Monday of the Month. The men sponsor an Annual Oyster Supper in October; an Annual Men's Supper in January and an Outing in June. They also are in charge of decorating the Church at Christmas.

THE GIRLS FRIENDLY SOCIETY JUNIORS

All young girls, seven and older, are invited to attend. The group meets every Saturday at 10 A.M. Young girls are afforded an opportunity to learn about the Church and to have fellowship and fun at the same time. The organization which is National meets once a year locally in Convention at which time all Branches enter into competition in crafts, singing and dancing.

THE YOUNG PEOPLES FELLOWSHIP

The Fellowship is a program for boys and girls thirteen years of age and older. The group meets every Sunday evening at 7:30 P.M. The program is four-fold—Worship, Fellowship, Study and Service. Once a month the group attends a meeting of the Convocation with other Fellowship groups in the Northeast. In 1963, our group won the Convocation Trophy for scoring more points than any other group in the four-fold categories mentioned above.

THE MR. AND MRS. CLUB

This organization is strictly a fellowship group for husbands and wives. It meets once a month on the third Saturday. All members of the Church are invited to attend and bring their friends.

THE BUSINESS AND PROFESSIONAL WOMEN

An opportunity is provided for women who are employed during the day to meet once a month in Fellowship. The meetings are held in the Parish House on the second Tuesday of the Month.

THE PARISH COUNCIL

This group is made up of the presiding officers of all the Church Organizations. There are at least four stated meetings a year, at which time Organizations report the activities planned and the Calendar is approved. The Annual Church Bazaar is the result of the combined efforts of all Church Organizations. The Council seeks to help organizations in planning and promoting events when the occasion arises to work together on a common project.

THE BELL RINGERS

The Bell Ringers consist of a group of laymen who assume the responsibility for playing the Bells prior to Church Services and on special occasions. The Ringers maintain the bells and assist with the Bazaar.

THE CHOIR MOTHERS

These women are a part of the Altar Guild and make a real contribution to the music of the Church. The men and boys and the women and girls have to be cared for. More help is needed in this department.

THE CHURCH SCHOOL STAFF

The staff meets when called to discuss the activities of the Church School. They are under the direction of the Rector, and divided into a number of committees which have been organized to make our Church School function at its best. The staff plan all the social activities for the Church School and approve the expenditures of Church School Funds.

You can see that St. Mark's Inn has a great deal to offer its clientele and visitors. If any of these activities and services appeal to you, come and take part in them.

Highlights of 1963

Looking back over the last year, one can't help but feel that we have had a busy year. It is exhausting to think about it let alone write about it. One wonders how we got it all done. We must say right now that we are indeed grateful to all who worked to make the accomplishments possible.

St. Stephen's Bridesburg, a victim of progress in the name of the Delaware Expressway, was deconsecrated by Bishop Hart on the 28th of December, 1962 and the last Communion Service was celebrated on the 30th of December, 1962, by the Rector. The Year 1963 began with the incorporation of most of our brothers and sisters from St. Stephen's into St. Mark's. Then began the removal from St. Stephen's of the Furniture for distribution and storage until such time as needed and requested for use. Some of the appointments were distributed as follows: An Episcopal Church at 19th and Lombard Sts. (St. Philip's) has taken the Altar and Chancel Furniture. The Baptismal Font was given to a Methodist Church in Frankford. The Church pews were given to a Baptist Church in South Phila. St. Mark's was able to salvage a good part of the Organ. This portion of the organ has been installed and is in operation. The most noticeable addition from St. Stephen's organ are the chimes. The expense of this work on the organ was covered by the sale of the remaining portion of the organ. We have remaining the Altar appointments which are available to any Church which can use them. The net proceeds of the sale \$140,000.00 is held in trust by the Church Foundation and the income is available to St. Mark's for a Curate who is in charge of Missionary Work in the Bridesburg area. There was added this year a Holy Communion Service at 8:30 a.m. Sunday Morning to accommodate members from the Bridesburg area, and all other members who find this time convenient.

One of the highlights for 1963 began in 1962. We had an opportunity to hear some outstanding organists. The season opened in October of 1962 with a recital by Karl Richter. In 1963 we heard Virgil Fox, Claire Coci, Temple Painter, Garnel Copeland, Cherry Rhodes and Ted Worth. In June a special Choir Festival was sponsored by a number of Choirs honoring David McKay Williams. This was an unforgettable experience. A group of generous sponsors made possible the concerts and we are grateful for their help.

HIGHLIGHTS OF 1963 — *continued*

Because of an unusual Confirmation Schedule, St. Mark's had two visits from the Bishop in 1962, and no visits in 1963. Bishop Hart who has recently retired visited in January and Bishop Armstrong visited in November for Confirmation. Bishop Tsu will be with us in 1964 (March).

A number of valuable improvements to the Church have been made. A new lavatory was installed on the first floor. Through the combined efforts of Church members monies were raised to defray the expense of covering the Church kneelers. The two pair of leather doors were also recovered. A more modern amplification system was installed in the Church. A new Church door on the South side of the Church has been given by Mrs. Wentzel. A new door was installed in the basement entrance from the parking lot. All the windows on the main floor of the Church have been repaired. We have eight windows on the north side to be completed.

In 1962 a group of churchmen remodeled the Club Room. In 1963 the same group of men remodeled the Game Room and the Church Offices. We are indebted to these men who have given many nights of work to the Church. This work has saved the Church money and has added much to improving the facilities. Our thanks to Mr. Heath and Mr. Pearcey without whose leadership and skill this work could not have been done.

Our Young Peoples Fellowship won the Award for the best group in the Northeast Convocation in 1963. A large trophy is awarded each year to the Fellowship which can accumulate the largest number of points. The youth group under the leadership of the Curate continues to grow. Three advisors have taken a leave of absence—Mr. D. Clark, and Mr. and Mrs. J. Ickes. Mr. W. McKeown, a new advisor, along with Mrs. D. Clark and Junior Advisor Pat Gibson round out the Lay advisors. In 1963 the Young People sponsored a project to raise money to make a contribution to St. Bartholomew's in Wissinoming who are recovering from a tragic fire.

Our Rector has been elected Dean of the Convocation of Germantown. He is responsible for the missionary work in the Convocation and for promoting the Diocesan Program in the Convocation. The term of office is four years. The Rector has served as Secretary of the Convocation for a number of years. This is the only Convocation that the Rector has served, being a member for more than twenty-five years.

Each year the Endowment Fund grows. We are fortunate in having so many of our members use the Fund as a means of memorializing their loved ones, and their friends. This last year we added the name of Mr. Walter B. Gossling to the Endowment Fund plaque. A memorial plaque was placed near the Repository by the Vestry in appreciation of the service of Mr. Gossling as Warden and also Chairman of the Endowment Fund. Last year the Church received almost three thousand dollars from the Fund to be used for improvements to the Church. As the Fund grows the interest increases. Remember the Endowment Fund in your Wills.

Along with the regular activities of the Church the Annual Church Bazaar stands out as the real spectacular. The theme this year is "The Lure of the Islands." Mrs. Smith with her able assistant continues to give us the most interesting and colorful decorations for our Bazaar.

Such were the Highlights of 1963. There were many, important ones, and no doubt we missed some in trying to recall them all. We look now toward the Highlights of 1964, which will be of our making. The New Year is ahead of us, and no one can escape from making some contribution or other. The challenge is this: How will I Highlight 1964?

History of St. Mark's

1932 - 1963

In the year 1932 St. Mark's Church celebrated its Centennial Year. Mr. John Gossling wrote a history of the Church which was published in that Centennial Year. Thirty-one years have elapsed since then, and the time has come to record, in brief, the progress of St. Mark's in the first three decades of its second century.

Any historical sketch must of necessity leave out much detail. Consequently, it is the lack of space, and not the lack of importance which must excuse any omissions from this brief, categorical presentation.

THE CLERGY

After the death of The Reverend Leslie F. Potter on July 17, 1932, Dr. Herbert Parrish was called to continue the work as Priest-In-Charge. He concluded the Centennial celebration, serving from August 1932 until May, 1933. At a special meeting of the Vestry June 1, 1933, The Reverend Edmund H. Carhart presided as Rector for the first time. Mr. Carhart was instituted as Rector by Bishop Francis M. Tait, on September 24, 1933. Mr. Carhart served St. Mark's from 1933 until the time of his death, November 26, 1944. The Rt. Reverend Oliver J. Hart conducted funeral services November 29, 1944.

For the months that St. Mark's was without a Rector, the Vestry secured the services of Dr. Charles H. Long, assisted by The Reverend William La Rue Witmer.

On April 9, 1945, the Vestry resolved to call The Reverend Albert F. Fischer Jr. to St. Mark's as Rector. Mr. Fischer assumed the Rectorship June 1, 1945, and continues to date as the eighth Rector in the history of the Parish.

Henry S. Spackman	1846-1853

John B. Harding	1893-1921
Leslie F. Potter	1921-1932
Edmund H. Carhart	1933-1944
Albert F. Fischer Jr.	1945-

During Mr. Fischer's Rectorship there have been a number of Curates at St. Mark's. These are: William Witmer, Arthur Laedlein, E. Clarindon Hyde, Robert Back, Charles Kelbaugh, James Imler, Edward Chinn, and currently, Edward Loeffler.

THE MUSIC

In 1932 Mr. James Tillbury was director of music and Miss Anna Newton was organist. Mr. Tillbury resigned in 1945.

Mrs. David MacGregor, the former Anna Newton, became director of music as well as organist. Under Mrs. MacGregor's leadership our three choirs (Boys, St. Cecelia, and Adult) grew in size and fame.

In 1957 the new organ was installed. It was built by Aeolian-Skinner Organ Co. of Boston and designed by Mr. Ernest Willoughby of Bryn Mawr. The dedicatory recital was played by Mr. Alec Wyton, Organist of the Cathedral of St. John the Divine, on December 1, 1957. This dedication was part of the celebration of the 125th Anniversary of the founding of the Church. On January 26, 1958, Mr. Ernest Willoughby gave an organ recital demonstrating the beauty and power of the organ he designed.

There have been many musical programs offered to the Parish and to the community. With the coming of the new organ, these programs have increased in number and magnitude. In 1958 the famous Gettysburg College Choir presented a Sacred Music Concert; in 1959 Marilyn Mason, faculty member of the University of Michigan, gave an organ recital which was attended by music lovers from all parts of the Delaware Valley.

On Sunday evening, June 5, 1960, nearly every organist in the Delaware Valley was seen in the capacity audience that flocked to St. Mark's to hear Virgil Fox give his first local recital since his appearance with the Philadelphia Orchestra several seasons before.

Other famous musical offerings included the Columbus Boy's Choir, which came to St. Mark's in 1960; Marie-Claire Alain, French organist on her first American tour in 1961 (her only appearance in this area); the Temple University Choir in 1961, and a number of organ concerts given by such famous names as Karl Richter, Claire Coci, Temple Painter and many fine young students and artists.

Mrs. David MacGregor was honored at the Annual Choir Banquet, April 21, 1961. She served 30 years as organist and 16 years as choir director. The Vestry and Congregation presented Mrs. MacGregor with a mink stole and money for the purchase of music for the choir library. Her husband, David, was presented with a resolution making him a Vestryman Emeritus.

In June of 1961, Mr. and Mrs. MacGregor left St. Mark's to make their home in Spartanburg, South Carolina—where Mr. MacGregor was

relocated in the Southern Office of his Firm. Thus ended the long period of great achievement in which Mrs. MacGregor labored for the music of St. Mark's.

In the year following Mrs. MacGregor, two organists supplied (Miss Cynthia Eney and Mr. Francis Murphy) until Mr. Ted Alan Worth became Organist and Choirmaster in September of 1962. Under Mr. Worth, a Choral Evensong was presented in honor of the famous composer and musician David McK. Williams, on Whitsunday, 1963. The composer was present for this Service, and gave an Address. St. Mark's currently offers Organ Concert Series, given by famous Artist, and the musical excellence and fame of St. Mark's continues to spread.

125th ANNIVERSARY

The 125th Anniversary of the founding of St. Mark's Church was commemorated by an Historic Pageant Sunday Evening October 20, 1957. The Pageant, called St. Mark's Evangelist and the Church, was written and directed by Mrs. MacGregor. The Pageant was composed of three parts: (1) St. Mark, the Evangelist, (2) Work of Early Christian Missionaries, (3) Light of the Living Church today.

The costumes were from the stained glass windows by Nicola D'Ascenzo in St. Mark's Church. St. Mark, Bishop of Alexandria, was portrayed by Philip Boulden. The chairman of the Anniversary celebration was Mr. Walter Gossling.

CHURCH SCHOOL

From December 1933 until 1940, Mr. Stanley L. Welsh, Curate, was superintendent of the Church School. He was succeeded by Mrs. Carl Collier (then Miss Virginia Wooly). In 1947 the Rector assumed the work of directing and supervising the activities of the Church School. He has been assisted by Lay Persons who have helped in many ways. Mrs. William P. Clausen helped in revising the curriculum and Mrs. Howard P. Denn has done a great deal of visiting and clerical work. When Mrs. Denn resigned, Mr. John Lamb, Student Assistant, assumed these duties.

In 1957, the Rector inaugurated a 9:30 Service to which he invited parents of Church School pupils. Many parents now attend this Service, and after Devotions meet in the social room in the basement for a lesson.

An important part of the Church School is the Mother's Class. Miss May Stearns taught this class for many years. Mrs. Alice Greby succeeded Miss Stearns in 1945. Mrs. Carroll Krewson became teacher of the Mother's Class after Mrs. Grebe's death. Mrs. Krewson is the teacher at the present time.

ST. MARK'S BELLS

Since 1915 the 14 bell Carillon of St. Mark's has called the people of our community to worship. The dedication of these bells was on April 30, 1915.

At the present time these bells are rung before Service by one of seven Laymen: Charles Taylor, Roy Ricker, Thomas Flint, Walter Kleinfelder, William Kirkman, Harry Shuttleworth and Alfred Smedley.

In addition to the carillon, we have a toll bell which is used for 7:45 Service and for funerals and other services when a bell is needed. The weight of this bell is 1201 pounds, and it was presented as a Christmas present from the Sunday School on Christmas Day, 1859. On December 27, 1959, the hundredth anniversary of the gift of this bell was celebrated in Church School by a reading of the original presentation by Mr. Samuel Ballam and the ringing of the Century old bell by Miss Rhoda E. Scrivens and the nine members of her class. These children were: Ruth E. Maletz, Helen L. Clark, Patty A. Strong, Marilea I. Saybolt, Clifford Peberly, Rose Zagani, Linda Sherman, Ronald Schailey, and John Zagani.

CHURCH HISTORIAN

A Department of History was established in 1955 by St. Mark's Vestry. Mr. Harry Shuttleworth was appointed Church Historian. Since his appointment he has collected many records and letters dating back to 1845. This collection has been organized and catalogued by Mr. Shuttleworth. He gladly displays and explains parts of this great collection to interested individuals and organizations. The collection is housed in the Parish House. This Historian conducts tours of the Church by appointment during which he explains its history. He also solicits letters, records or objects connected with the History of St. Mark's in the possession of individuals to add to his historical collection.

MEMORIALS

All through the years St. Mark's people have given gifts to the Church to the glory of God and in remembrance of Loved Ones. The list of these memorials will be published at a later date.

**GROWTH OF ORGANIZATIONS
A LIVING PARISH**

Within St. Mark's Church there are many organizations, seeking to serve the various needs of the people and in turn contributing to the support of the Parish. These organizations came into being, or were re-activated, during the period 1932-1963.

UNDER MR. CARHART

The Centennial Celebration in 1932 marked the beginning of a new surge in growth. The SERVERS GUILD was established during the Rectorship of Mr. Carhart—1933-1944. In September, 1935, the Servers replaced the Vestrymen in assisting the congregation in coming to Communion. This custom continues today. Since 1940, Mr. Harry Shuttleworth, the Church Historian, has sponsored this organization. He has been a devoted and conscientious sponsor through the years.

The ST. CECILIA CHOIR was established in 1934. Margaret Buckley was appointed leader with Bernice Murphy as assistant and with Ardella Cocker as organist. The mothers made the red vestments and the girls' choir became well known in Frankford. In 1946 Anna MacGregor became leader.

The custom of holding Services for THE CHURCHING OF THE COLORS on Armistice Day (now Veteran's Day) was established by Mr. Carhart.

THE FRONT ROLL, in which are enrolled newly Baptized infants, was established. This unusual service sends material through the mail to parents, until their children are ready for Church School, and also keeps in personal touch by way of visitations. Mrs. Edward Carnall is chairman.

With vision towards the future, Mr. Carhart, in 1935, established THE ENDOWMENT FUND through the efforts of John H. Gossling and Dr. Charles N. Sturtevant. Dr. Sturtevant and Miss Melissa Smith were the first trustees. In 1938 the fund was \$3000.00. In 1962 it was worth approximately \$71,000.00. (Book Value).

UNDER MR. FISCHER

During the years of Mr. Fischer's Rectorship, much growth and many improvements have taken place, and continue to do so.

One of Mr. Fischer's first activities was to re-organize the CHURCH SCHOOL. Mr. Laedlein was appointed Superintendent, and a system of graded classes was established. Later, a 9:30 Church School Family Service was inaugurated for parents who brought their children to the

School. This group has grown into the Parent's Class, now taught by Mrs. William P. Clausen, and it supplements the Mother's Class, now taught by Mrs. J. Carroll Krewson.

The USHERS ASSOCIATION was created early in Mr. Fischer's Rectorship. This group of men have improved the mechanics of the 11 o'clock Service.

On October 18, 1948, the GIRLS FRIENDLY SOCIETY was re-activated. This organization benefits our girls from 7 to 14 years of age, and meets on Saturday mornings.

The BUSINESS AND PROFESSIONAL WOMEN'S ASSOCIATION was established in 1951. This organization provides fellowship and opportunity for service for the women who cannot attend daytime meetings. This group has interesting and lively meetings on second and fourth Tuesdays.

ST. MARK'S LIBRARY, established in 1853, was re-organized and re-activated by Mr. Fischer and the name was changed to ST. MARK'S CHURCH SCHOOL LIBRARY. Mr. Howard Denn was appointed librarian. The library contributes a great deal to the intellectual and spiritual life of the parish. Mr. Denn has acquired thousands of books.

THE NURSERY was established to care for young children while their parents attend Services.

The JUNIOR VESTRY, now called THE AUXILIARY VESTRY came into being in October 1947. The purpose of this organization was to train young men in the responsibilities of Vestrymen. These men contribute many services to the Church, one of which is preparing the Year Book.

St. Mark's Men's League was re-organized and named THE CHURCH-MEN'S LEAGUE. These men, and all of the men of the parish are included and invited to this organization, meet once a month for fellowship and service. The Annual Oyster Supper and other activities are sponsored by this group.

In order to give opportunity for married couples to meet, become acquainted and serve the Church as a group, the MR. AND MRS. CLUB was brought into being. One of their many activities is to visit and take gifts to shut-ins at Christmas and Easter.

The great increase in organizational activity in the parish created the need for some kind of coordinating control. To meet this need, THE PARISH COUNCIL was established. Meeting at the call of the Rector, this group includes representatives of every Parish Organization who discuss the physical needs of the church and act as a clearing

house for dates in order to avoid duplication and conflicting activities. The YOUNG PEOPLE'S FELLOWSHIP was re-activated, and today is one of the finest in the city. A great amount of credit must be given to the efforts of the Lay Advisors who gave much time to our Youth. Mr. and Mrs. David Clark, Mr. and Mrs. James Ickes, have sponsored the group for several years. Today, the Young People are under the leadership of the Curate, assisted by Mrs. David Clark, Mr. Winfield McKeown, and Junior Advisor Pat Gibson.

The years 1932-1936 were years of growth in the life of St. Mark's Parish. But they were also years in which maintenance of the magnificent buildings entrusted to the Parish was of prime importance. Under the Rectorship of Mr. Fischer, the buildings have been restored and maintained in excellent condition, ready for the many decades which are to follow in the future. Historical credit must be given to those who have an eye to the future, while emeshed in the entanglements of the present. This credit goes to the present Rector of St. Mark's Parish—The Reverend Albert F. Fischer Jr.

The years of internal growth at St. Mark's were not years in which the Parish failed to consider the needs of others. St. Mark's has extended herself outside her borders, and helped struggling parishes and Missions. While some help was given to St. Nathaniels Parish at E and Allegheny Sts., St. Mark's can be remembered for the years of extensive service given to St. Stephen's in Bridesburg. With the closing of St. Stephen's, St. Mark's administered the many details required in the sale of the property and the investment of the proceeds. St. Mark's today is again responsible for the Ministry to the Bridesburg Area, a work which she started almost 100 years ago.

CONCLUSION

The History of St. Mark's from 1932 to 1963 is a history of growth and service. Those who have contributed to it can be justly proud. And yet, not so proud that the future is not considered. The next History to be written in the years to come, will recount what we do now, and will be written by our children. We look back at what we have accomplished, and one fact is evident —
